

## Competence Development Seminar “In Case Study Method”

January 23-24, 2014, in Riga, Latvia

Conducted in Partnership with Riga Technical University and Emerald Group Publishing

### EXPERT INTRODUCTION

The seminar will be lead by **Dr. Arthur Lindemanis**, Regional Editor for Emerald's Emerging Markets Case Studies collection. Dr. Lindemanis brings 20 years of international business experience as a corporate executive, entrepreneur, consultant, and investor to his current academic career as the Chair of the Entrepreneurship Department at RISEBA in Riga, Latvia, where he has been one of the leaders transforming RISEBA from a small ambitious business school to a university where business meets the arts with studies in communication, audiovisual media and architecture in addition to core business and management programs.

Since moving to Latvia in 2003, he has secured over €2 million in funding from the EU, UNDP and other donors to support his innovative approaches to transforming traditional university systems by linking education with the business and public sectors. He advocates entrepreneurial vision, radical innovation, and collaboration to help companies grow in the belief that successful international ventures with high growth potential are the best stimulus for economic development and educational reform. He focuses on developing and delivering high impact learning experiences that enable students, entrepreneurs and executives achieve their potential in today's turbulent markets with extreme global competition and accelerating changes in technology.

### WORKING LANGUAGE

Competence development workshop language is English (no translation will be provided).
