**RENOVATIONS AT THE INSTITUTE OF ECONOMICS AND THE UNIVERSITY CLINIC**

Rector Ilshat Gafurov and involved parties discussed plans for present and future repair works and refurbishments.

Restoration of the former military hospital (now Kazan University Clinic) was talked about on June 4th. The hospital is a historical heritage site, so special treatment and approvals are in order. The nearest building to the Institute of Fundamental Medicine and Biology is planned for both lecture rooms and labs. The works on cost projections and engineering blueprints will start after property certificates arrive from the federal authorities.
