ROUND TABLE DISCUSSIONS

- The first round table discussion was held on **2003 in Riga** focusing on general issues business education was facing that day in the region and on development of criterion for ranking of business schools.
- BMDA constantly organized round table discussions during the Annual Conferences in order to enhance Business companies and Education institutions communication and cooperation.

RESEARCH ACTIVITIES

In order to encourage high quality research activities the idea to create the **Baltic Journal Management (BJM)** came up in **2004**;

To be effective in research activities development in the Baltic Sea region and beyond **BMDA was creating a Strategic partnership with Emerald Group Publishing Limited (UK)**;

As a result of such strategic partnership the **Baltic Journal of Management (BJM)** was launched on **23rd March 2005**.

- BJM was the only journal that actively encouraged dialogue between Baltic management researchers and supported research from the region. It acted as a forum to encourage dialogue between East and West.
- The journal seeks to highlight the best practice and research of developed and rapidly growing countries in the Baltic region.
- It encourages well-written articles with the focus on interdisciplinary, international and comparative standpoints on contemporary management issues
- **Baltic Journal Management which has been accepted into the Thomson Reuters' (ISI) Science Citation Index in 2008.**

EMERALD/BMDA MANAGEMENT RESEARCH FUND AWARD

The Emerald/BMDA Borderless Management Research Fund Award was launched in **2007**.

The first winner of the award was:

Mr. Harri Lorentz

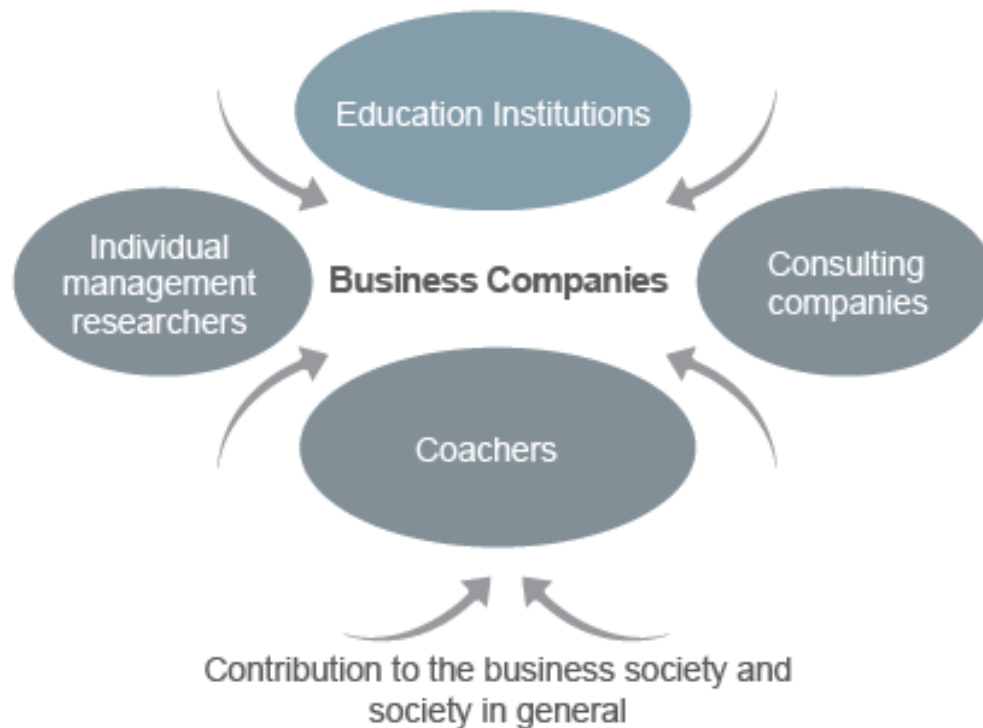

Senior Research Associate, Turku School of Economics,
Finland

“Collaboration in Finish-Russian Supply Chains – Effects on Performance and the Role of Experience”

WHAT BMDA IS TODAY?

In 2008 BMDA made a significant change in it's strategy deciding to concentrate on the help to solve **real issues that Corporate world** is facing.

BMDA SERVES AS INTEGRATOR

A new interactive BMDA IT portal has been developed in 2010 to establish virtual cooperation bridges among BMDA members.

BMDA SERVES AS INTEGRATOR

Portal enables BMDA members:

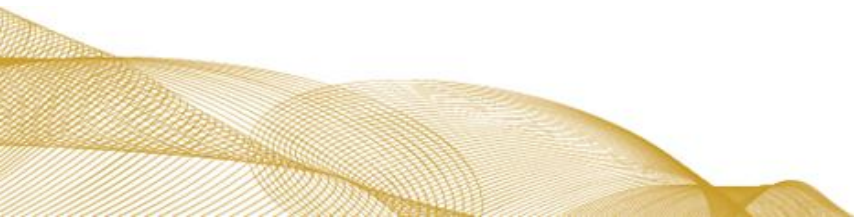

- Searching for Corporate and Academic partners for the projects.
- Communicating due to demand of different types of training and suggesting such services.
- Providing possibility to make new academic or business connections that in perspective could become a long lasting partnership.
- Announcing information about ongoing activities, projects, trainings, conferences, etc.
- Having the access to the newest literature, new methodologies, PhD thesis, etc.

And many other opportunities...

FURTHER DEVELOPMENT OF BMDA RESEARCH ACTIVITIES

- Further development of Baltic Journal of Management
- Strengthening cooperation with various publishers
- Organizing Joint-Research conferences
- Developing the Business Case method implementation

BMDA ACTIVITIES ARE:

CURRENT BMDA ACTIVITIES

BMDA AND EMERALD COLLABORATION DEVELOPING BUSINESS CASE METHOD

BMDA and Emerald is planning to launch a number of various activities in order to promote and encourage Baltic Sea Region researchers to learn more about this method, how to write good and proper business cases and to increase the case method implementation in their daily activities

BMDA AND EMERALD COLABORATION IN RESEARCH DEVELOPMENT

BJM particularly encourages academics, researchers and practitioners to share their experience, knowledge and practices with an international audience.

ENGAGING STUDENTS INTO BMDA ACTIVITIES

BMDA has created and is constantly developing the features students can benefit from:

- Receive the newest information from Management development associations, Education institutions, Business companies from all over the world.
- Actively participate in the joint projects together with the students from other Education institutions.
- Search for the partners for the projects among other institutions' students, Business companies or Education institutions.
- Search institutions for the internship, etc.

JOINT BMDA CONFERENCE WITH MYKOLAS ROMERIS UNIVERSITY (Lithuania)

BMDA together with Institutional BMDA member Mykolas Romeris University (Vilnius) is organizing an International Research Conference
SOCIAL TECHNOLOGIES '12: ICT for Social Transformations

Dates: October 25th – 26th, 2012.

This international conference **will be focused** on conceptual design, methodological foundation and practical implementation of social software for managing sustainable development and long-term effectiveness enhancing of social macro- and mega- systems.

JOINT BMDA CONFERENCE WITH KOLPING UNIVERSITY OF APPLIED SCIENCES (Lithuania)

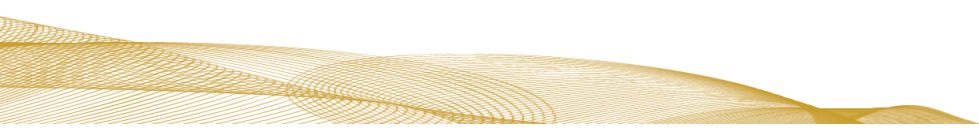

BMDA in cooperation with Institutional BMDA member Kolping University of Applied Sciences is organizing International Students' Conference

THEORY AND PRACTICE: STUDENTS' INSIGHTS

Date: 15th of November 2012

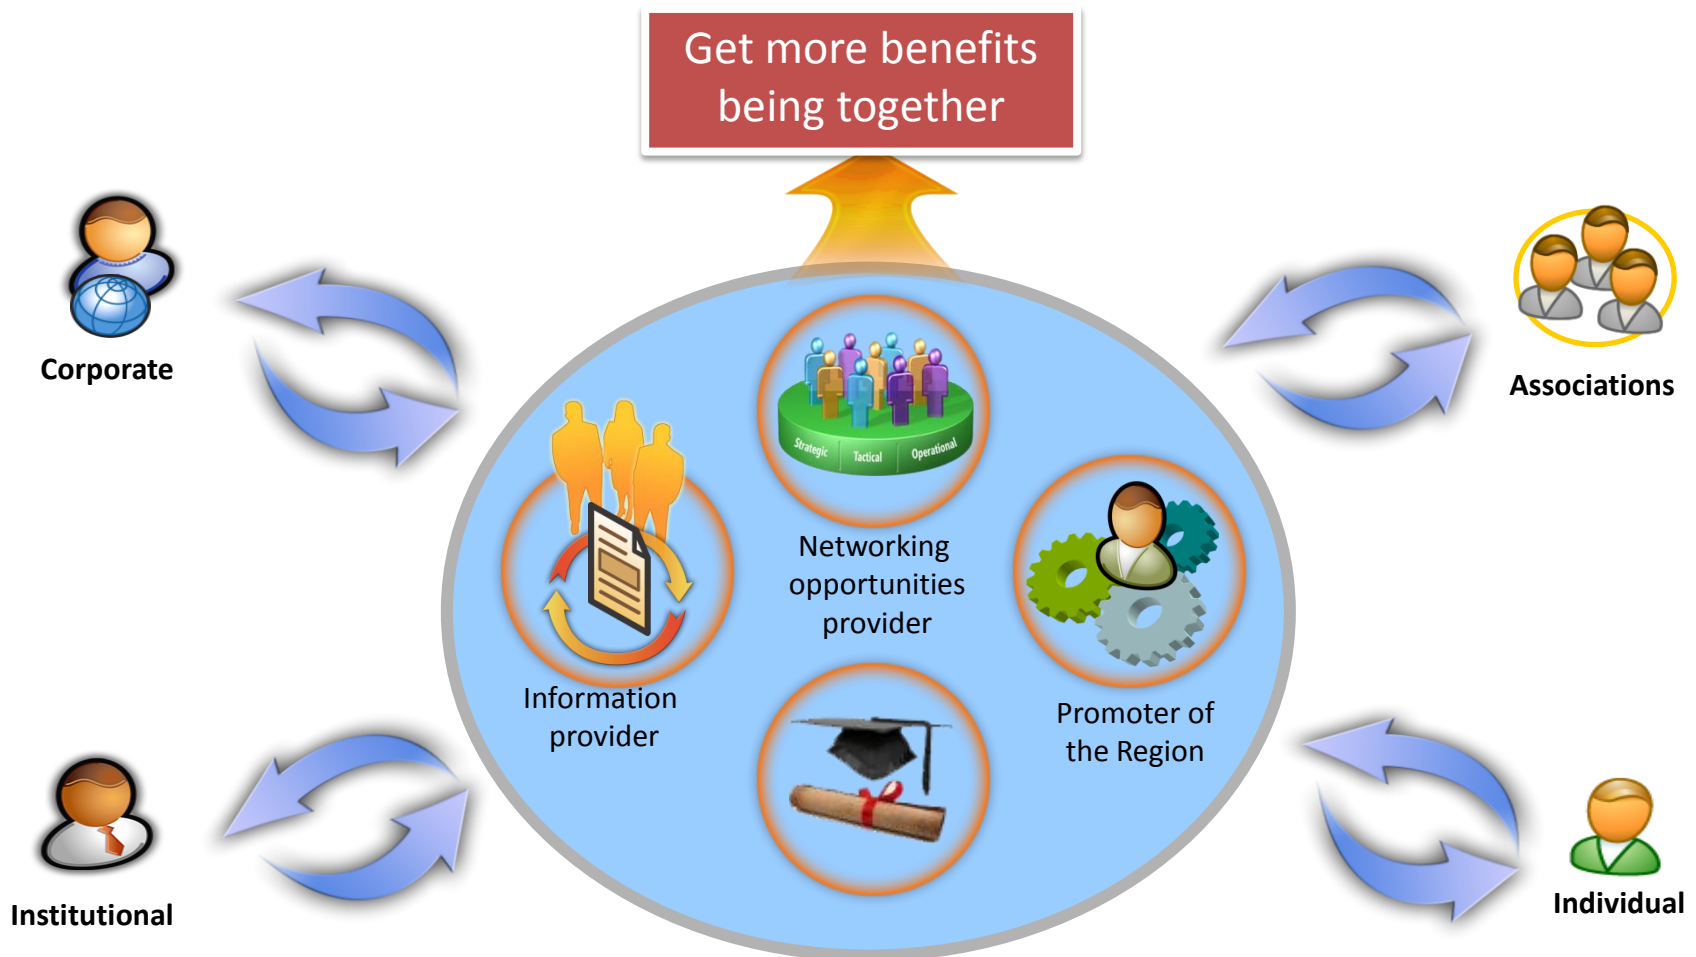

The conference is organized for **bachelor students** from all the countries.

The conference objective is to develop students' capabilities in theoretical and practical skills implementation, analyzing various themes, and also to create favourable conditions for bachelor students to get involved in research activities as well as to take part in networking event, to have a nice time together.

ENCOURAGES BMDA MEMBERS' PARTNERSHIP

BMDA creates various opportunities for its members' collaboration implementing different joint projects together, searching for international and local partners, for new projects, communicating due to demand of different types of training and suggesting such services.

NEW BMDA MEMBERS:

- SC Linas (Lithuania) The logo for LINAS features the word "LINAS" in a bold, blue, sans-serif font. Below the text is a stylized graphic consisting of several parallel diagonal lines of varying lengths, creating a sense of movement or a bridge.
