10TH ANNUAL BMDA CONFERENCE

This year the 10 Annual BMDA Conference “Winning Strategies in Challenging Times” will start with the **Research part** which will invite Academic community and Researchers to present their papers written in line with the Conference main theme.

All the Researchers that papers will be selected for the presentation during the Research part of the Conference will get the **200 EUR scholarship** for participation in the 10th Annual BMDA conference.

The best selected papers

presented during the Research part of the Conference **will be considered for publication** in the **“Baltic Journal of Management”** (Emerald Publishing Group, UK), subject to peer review. More information about the journal you can find by visiting:

<http://www.emeraldinsight.com/products/journals/journals.htm?id=bjm> or in the scientific journal **“Social Sciences”** (Kaunas University of Technology, Lithuania). More information about the journal you can find visiting:

<http://www.socmokslai.ktu.lt/en/>

All the Researchers wanting to participate in

the Conference should **send their abstract until 18 02 2012**, the abstract requirements can be found in the “Call for papers”.

The Researcher has to register to the Conference only after receiving the feedback of the Conference Scientific committee!

Moments of TSEBA Student Conference

TSEBA students organized the innovative conference STRATOS FUTURIS

On 19 January, a conference about innovation business models, Stratos Futuris, was held at TUT. The conference was to answer the questions: What kind of business models will change the world over the next 5 years? What are the secrets of famous business

models and how are big companies doing business? Stratos Futuris was held for the third time already, where the most innovative business models were presented. The conference was preceded by a contest of economics and engineering students of TUT.

Participating teams analysed currently popular business models in the world and worked out strategies for upsetting them. The best team was announced at the conference, who will be sent to study in the Silicon Valley in April.

ABS announces a strategic alliance with AAPBS

This comes at an exciting time for the ABS as Paul Marshall has recently taken over as Chief Executive and the ABS is also celebrating its 20th anniversary.

This development cements an exciting strategic alliance, which will ensure the two organisations work is aligned going forwards, including: capacity

building, joint events, research, publications, membership on committees and added value for each membership base.
